JULY SPECIAL REPORT

## SUMMER **SEX** ISSUE

Ignite your passion, restore your  
libido and have more FUN!

# MORE **SEX** = MORE **HEALTH**

Friends,

It is medically proven that the more sex you have, the healthier you become. And, the healthier you become, the more sex you have, and on and on and on.

I know this fact, therefore, as part of my health routine, I have a lot of sex (that's my excuse). Look, I just turned

64, and because my older brother Larry had prostate cancer two years ago, he and his urologist demanded that I join him on his next visit and have a prostate exam. So, last year I joined my brother on his office visit, but with absolutely no intention of having this exam.

Besides enemas and colonics, my rectum was virgin territory and I had every intention of keeping it that way. But, after a half hour of arguing and a half gallon of KY Jelly, I finally submitted to his doctor's rectal probing. To the doctor's surprise, he said I had the prostate of a 20 year old. I asked why he thought that was and he asked, "Are you healthy?" I said yes. Then he asked, "Do you have a lot of sex?" I said yes. And then he said, "That's why." So, here it is again friends...He said the healthier you are, the more you want to have sex, and the more sex you have, well, the healthier you are.

**Like I said, it is medically PROVEN, a well-documented medical FACT, that the more SEX you have, the HEALTHIER you become.**

What's the Bottom Line? Sex is FUN and it feels GREAT, but most important—it creates HEALTH! The benefits of sex have been PROVEN to extend far beyond the bedroom. So come on, it's summer...GO HAVE MORE SEX! That's an order!

### Daily Suffering Due To Hormonal Imbalance

**Irregular & Painful Menstrual Cycles,  
Menopause, Mood Swings, Hot Flashes  
Weight Gain, Bloating, Depression,  
Anxiety, Sleeplessness & Fatigue**

One of the main reasons you age prematurely and lose your sex drive is an imbalance in your hormones. This can be caused by a hundred different reasons, but the most common are birth control pills, junk food, meat, eggs, milk, stress, lack of nutrition, lack of exercise and a toxic body.

- Every day, 6,000 more American women enter menopause, with an estimated 70 million left totally debilitated by their menopause crashes.

## Low Sex Drive

- A recent study from the Yale School of Medicine discovered Female Sexual Dysfunction AFFECTS 48% of women in the United States.

## PROBLEM

### Frequent Nighttime Urination, Swelling & Discomfort

#### Poor and Disrupted Sleep

The average male who came to Dr. Schulze's clinic with prostate concerns had to get up two or three times in the middle of the night to pee. Their urine stream was not as strong as it once was, and they experienced problems with urine force and flow.

- Today, it is estimated that 80% of all men eventually develop an enlarged prostate, the leading cause of nighttime urination.

#### Prostate Cancer on the Rise

Every year, over 500,000 men get prostate cancer and over 40,000 men die from it. Prostate cancer is now the second leading cause of death in men, after heart attacks and strokes.

- There were over 150,000 prostatectomies performed in the US last year.

# NEW & IMPROVED

## Anti-Infection Formula

Friends,

I am always using and improving my herbal medicines, and I'm also constantly listening to customers and getting their feedback. I am always looking for ways to make any improvements.

My Anti-I Formula is an amazing formula to treat any cut, scrape or wound. It not only disinfects and destroys germs, but it also prevents infections and seals the wound like an herbal liquid bandage, keeping dirt and germs out.

One problem was the dropper bottle. It coated the wound with Anti-I Formula, but often also your clothes or the floor. So, I have added a new Brush-on Cap, which lets you coat the wound easily!

Also, it seals wounds like a natural liquid bandage, but now with the addition of two grams of natural Ponderosa Pine sap per bottle, it REALLY seals the wound better—EVEN IN WATER!

*Dr. Schulze*

## Anti-Infection Formula

NEW & IMPROVED

- ✓ NEW brush-on cap coats the wound, not your clothes or the floor!
- ✓ NEW, improved formula seals the wound to keep dirt and germs out! It's even waterproof!

Now with the NEW brush-on cap and the ADDITION of 2 grams of Ponderosa Pine gum per bottle, the NEW Anti-Infection Formula COATS the wound better, DISINFECTS the wound better, SEALS the wound better and PROTECTS you better! **It goes on sticky and dries in TWO MINUTES!**

With 12 herbs and resins (including herbs high in natural Iodine) to disinfect, destroy bacteria, virus and fungus, and now with the addition of Ponderosa Pine Resin, my Anti-I Formula disinfects, seals and protects even more!

Just when you thought it couldn't get any better, it did!

- **NEW Brush-on Cap**
- **INCREASED Liquid Bandage Protection**
- **INCREASED Anti-Infection Protection**
- **INCREASED Wound Protection**
