INSIDE THIS ISSUE:

NEW!

Dr. Schulze's amazing,
great tasting,
cold and flu drink
for everyone.

FINALLY!

Amazing **Power**, Amazing **Effect** and now...Amazing **Taste!**

There are two things I know for sure about my Cold & Flu Herbal “SHOT”...

First, I know how AMAZING IT WORKS because I use it, my family uses it, my friends use it, my neighbors use it, and tens of thousands of my customers use it. We've all discovered that it is truly AMAZING in its ability to keep you from getting sick. And, if you are already sick, it will destroy any cold or flu and make it go away FAST! It's literally a cold and flu "miracle in a bottle".

Second, I also know, like all of my extremely powerful and clinically proven herbal medicines, it can taste INTENSE. Look, it's not horrible, but it can make you shudder when you drink it. Trust me, I know.

That's why, in last month's Special Report, I showed you how to take my Cold & Flu Herbal "SHOT" along with a double-dose of my Super-C Plus formula, and make it TASTE GREAT...not good...but GREAT!!!

The feedback from customers has been awesome, so I am giving everyone my recipe again this month, because I want to make sure EVERY one of my customers starts my new Cold & Flu Drink to stay PROTECTED this season.

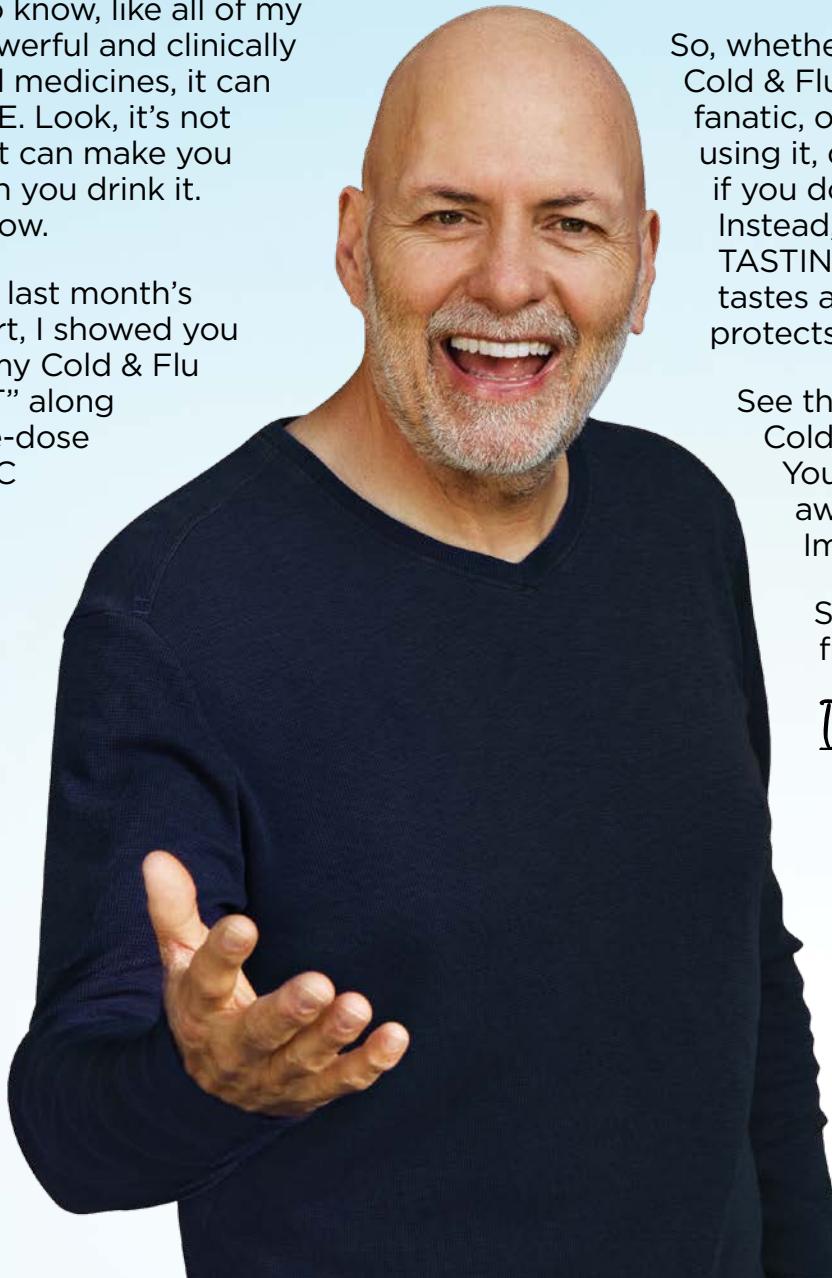

Bottom line, I don't want you to be another statistic this cold and flu season. That's why I have made it easier than ever to PREVENT yourself from getting sick. And, if you are already sick, use my new drink to TREAT it and get rid of it FAST!!!

So, whether you are an existing Cold & Flu Herbal "SHOT" fanatic, or if it's your first time using it, don't torture yourself if you don't like the taste. Instead, turn it into a GREAT TASTING DRINK that truly tastes awesome while it protects you!

See the next page for my Cold & Flu Drink Recipe. You're just two minutes away from Super-Immunity!

Stay healthy my friends!

SUPER-IMMUNITY: You're Only **2 Minutes** Away!

My Cold & Flu **Smoothie Recipe**

IN A BLENDER ADD:

8 OUNCES OF **ANY JUICE**

1/2 CUP OF **ANY FRUIT**

1 **COLD & FLU "SHOT"**

1 LEVEL TEASPOON OF **SUPER-C PLUS**

4 OUNCES PURE WATER OR ICE CUBES

Mixed fresh fruit and juice is best, and a touch of lemon or lime is awesome. Strawberries, Blackberries, Raspberries, and Blueberries are readily available, make it taste great, and add even more Vitamin-C. All fruits contain natural Vitamin-C.

The Cold & Flu "SHOT" gives you an extreme dose of my immune-boosting Echinacea Blend, germ-destroying SuperTonic, 1,000% of your Vitamin-C Complex, and over a dozen additional cold and flu fighting herbs.

My Super-C Plus is a double dose, giving you an additional 1,000% of your RDI of Vitamin-C. You are now at a whopping 2,000% or 20 times your RDI of infection-fighting Vitamin-C complex.

With over 2,000% or 20 times your RDI of active Vitamin-C and Vitamin-C Complex, sick kids of any age will love this smoothie.

DOSAGE

"If those around you are dropping due to a cold or flu, make this smoothie every morning for six days in a row.

If YOU get hit with a cold or flu, then make two smoothies per day."

SUPERCHARGE YOUR IMMUNE SYSTEM

PROBLEM:

Your Weakened Immune System Can't Fight Back

Too Much Sugar

The American diet is rich in sugar and refined carbohydrates, both of which are extremely low in the vitamins and minerals your immune system desperately needs to continuously search for, and destroy colds and influenza.

Extra Weight

We all know excess weight is bad for your heart, brain, and other organs. And, it's also bad for your immune system. Excess weight is likely to cause hormonal imbalances and inflammation, impairing the immune system's ability to do its job.

Stress

Ever notice you tend to catch a cold after a big work deadline? Stress weakens the responses of your immune system, and being stressed while you have the flu, can make your symptoms worse.

SOLUTION: **Cold & Flu "SHOT"**

At the first sign of that “uh-oh” feeling, take a heroic dose of herbs—Dr. Schulze’s Cold & Flu Herbal “SHOT”—and do it IMMEDIATELY!

If you’re feeling sick, use two, three or up to six bottles a day, whatever it takes to STOP that cold or flu DEAD in its tracks.

BENEFITS:

The Ultimate Weapon To Stop A Cold Or Flu!

- ✓ SUPERCHARGES your immune system to better protect you during winter months
- ✓ 1000% RDA of Vitamin C using organic Acerola Cherry
- ✓ Contains 20 POTENT herbs, premixed for easy use
- ✓ The most POWERFUL and CONVENIENT herbal“SHOT” on the market

The Cold & Flu Herbal “SHOT” combines the exact same 12 droppersful of Echinacea Plus and the 6 droppersful of SuperTonic that Dr. Schulze prescribes in making either his Winter Health (Prevention) or Blaster (Treatment) drinks. It also includes many more herbal tinctures, herbal concentrates, and even specific herbal-vitamin concentrates.

NATURAL VITAMIN-C SUPER IMMUNITY

PROBLEM:

Toxic Chinese Chemicals Won't Feed Your Immune System

Natural vs. Synthetic

The absolute best nutritional fuel for your Immune System is Vitamin-C Complex! Vitamin-C Complex is only found in FOOD. This natural Vitamin-C Complex contains hundreds of nutritional compounds your body needs, like Vitamin-C, Bioflavonoids, Hesperidin, Rutin and many others.

Ascorbic Acid is not real Vitamin-C. It is a toxic, synthetic, man-made chemical used in almost every Vitamin-C supplement on the market. Ascorbic Acid is not found in nature, and it is not a food. It is created in a laboratory using genetically-modified corn sugar that has been mutated with extremely harsh and powerful toxic chemicals, like nail polish remover and bleach. No kidding!

China makes over 90% of the world's Ascorbic Acid, and a single dose of this junk only costs a thousandth-of-a-cent!

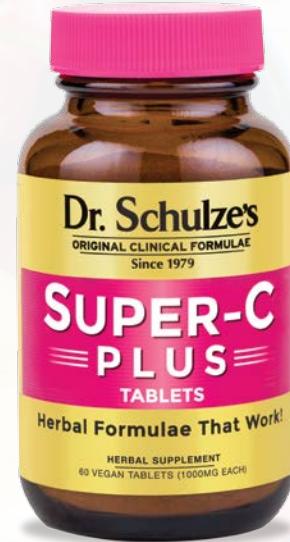

SOLUTION: **Super-C Plus**

Dr. Schulze's Super-C Plus is the best source of natural Vitamin-C and the very important Vitamin-C Complex nutrients. It is 100% natural, made from 11 organically grown and wild-harvested herbs and foods.

NO chemicals and NO ascorbic acid: nothing is extracted, isolated, fortified or synthetic. It's organic, raw, vegan, non-GMO, and gluten-free.

Nutrient-dense; the highest and most complete Vitamin-C Complex available anywhere! It assimilates immediately into your body, blood and cells, in seconds.

BENEFITS:

Build A Powerful Immune System!

- ✓ Extremely powerful and potent immune fuel
- ✓ Contains potent antioxidants that neutralize and eliminate free radicals, slowing and even reversing disease and aging
- ✓ Promotes healthy collagen for soft, glowing skin

Acerola Cherries are one of the richest sources of naturally occurring Vitamin-C and Vitamin-C Complex nutrients on the planet.

DR. SCHULZE'S SECRET TO Surviving The Holidaze

Manage Stress

The holidays are the #1 time of the year for stress, anxiety, depression, panic attacks, and even suicide. The shopping, party planning, office parties, and family gatherings can be more than any human can handle.

My Nerve Tonic and Brain Formula helped my patients survive their most overbearing and nasty relatives that were hell-bent on making them feel like they were eight years old again. Now, you can greet these relatives with a smile on your face. This time of year you can guarantee Peace, Love and Joy by starting with a heroic dose of my Nerve Tonic.

- ✓ Santa's Secret Weapon against STRESS, ANXIETY and DEPRESSION!
- ✓ COMBATS exhaustion and SUPPORTS a sense of emotional well-being!
- ✓ SUPPORTS natural sleep with no side effects!

- ✓ STIMULATES circulation and REDUCES congestion in the brain!
- ✓ INCREASES oxygen and blood flow to the brain!
- ✓ SUPPORTS healthy hearing and eyesight!

Have Energy

This holiday season, instead of coffee, chocolate and sugar, treat yourself to the healthiest Energy "SHOT" available anywhere.

Not only does it have numerous herbs like Green Tea, Yerba Mate, Kola Nut, Guarana and Oat Seed to give you an amazing burst of energy, but it also has Nutritional Energy with over 700% of your energy Vitamin B-12, and Power Energy with the two best Energy Ginsengs—Siberian and Panax—plus Circulation Energy with Habanero and Ginger.

And, with no energy "crash", you'll sleep like a baby and feel even better the next day!

- ✓ A powerful all day ENERGY BOOST!
- ✓ Increases PHYSICAL endurance, stamina, strength, power, performance and vitality!
- ✓ Increases MENTAL focus!

Get Super Nutrition

Starting the week of Halloween and ending the week after the New Year, my patients were more nutritionally depleted, than any other time of the year. Lots of the 3 C's—Candy, Cookies and Cake! A serious lack of vital nutrients in your blood, and a surplus of fat and sugar, weakens EVERY system in your body, ESPECIALLY YOUR IMMUNE SYSTEM.

So, the first thing I told my patients during the holiday season was to load up on nutrition, because you are not going to get it at the parties. Then, once you take your SuperFood Plus, at least you know you've got nutrition in your blood for the whole day. Now, go have some fun!

- ✓ BLASTS every cell in your body with nutrient-rich organic vitamins and minerals to give you more ENERGY than ever
- ✓ The FINEST whole food, herbal, vitamin and mineral product available ANYWHERE
- ✓ Nature's high-octane SUPER-NUTRITION that ASSIMILATES in seconds

Eliminate Waste

From constipation to acid reflux, from indigestion and heartburn to diarrhea, gallbladder attacks and appendicitis, holiday eating causes more digestive disturbances and hospital emergency room visits, than any other time of the year.

You can save yourself a lot of pain and suffering by having my digestive and elimination formulas on hand, not just for yourself, but you can also spread a little joy and relief to your relatives, too.

- ✓ The BEST BOWEL CLEANSE on the planet

- ✓ CLEANSE and DETOXIFY your body of accumulated waste
